A theatrical event of great interest is announced for next Thursday and Fri-Wheeling Park Casino, when Willie Col-Her will present his new comedy, "Mr. Smooth," of which he is the author. The farch has been successful since the production. The stary of "Mr. Smooth" is that of a breezy Chicago youth of inimitable nerve, who introduces himself into the house of a wealthy New York banker, pretending to be a son of an old business partner named Smooth. The right Smooth appears, and three cets are employed to illustrate the chicarary of the suppositions to keep one from being exposed. To-day, the Marshall county Republicans hold their primary election t name delegates to the state convention, and there is great interest in the out come. It is generally understood that the delegates will be for Edgar M. Lewis, of Moundsville, for auditor at the start, but the friends of Mr. Jumes K. Hall are exerting their influence to-ward the selection of delegates that will be for Hall in the event that it is demonstrated in the convention that Mr. Lewis cannot win. It should be underatood, however, that Mr. Hall and his friends are not against Mr. Lewis, and none of Mr. Hall's friends would ask for a vote for him so long as the local candidate has a chance. Mr. Hall's friends are moved to their activity a to-day's primary because of the fact that there is a movement in parts of Marshall county to select delegates os tensibly for Lewis, but in reality for another candidate.

Persons intending to attend the na tional Republican convention at Phila-delphia, should call on Mr. John E. Schellhase, at the water board office. He is making arrangements for the accommodation of a large Wheeling party at Philadelphia.

The M. A. Quay Republican club, o Benwood, meets at the city hall Sunday to organize for the campaign.

There is quite a crop of aspirants for places on the Republican legislative ticket, including Charles E. VanKeu ren, Abram McColloch, Ralph McCoy, A. S. Bell, R. P. Glass, H. F. Behrens, Jesse Jackson, B. W. Connelly, S. O. Boyce, Charles J. Schuck, Dr. G. A. Aschman, James P. Maxwell, S. G. Smith and William Latousch.

Judge Lewis N. Tavenner, of Parkers burg, has arrived in the city, and s registered at the Windsor, where it his room last night he conferred with number of Wheeling Democrats, includ ing his lieutenants in this county, Cap tain A. Judge Tavenner stated that he had no thought of withdrawing from the race for the would be in it to a finish. Ohlo county will send a divided delegation to the state convention, partly because it has a candidate for auditor in Attorney Joseph Handlan, and because Hon. John H. In discussing the political situation Judge Tavenner said that he had neve conferred with the so-called "bosses about withdrawing from the contest i favor of Holt or Gilkeson for the reason that he was in the race to remain until the finish. Ever since I left my father's roof at the ago of eighteen, I have worked without the assistance of such reputed politicians an have proceeded upon one principle, and that is honesty and fidelity to friends. I have tried to be upright and fair as a judge, and should I be nominated by the Democracy as its candidate for governor, I will prosecute my campaign in straightforward manner and shall treat my opponent with the respect due a by his party.
